

11th International Conference
Sustainable Tourism, Culture & Sports
18-20 May 2022. Kathmandu, Nepal

The notes below are intended to provide guidance for submission of full and or working papers for inclusion in the conference proceedings.

Guidelines For Authors

Maximum Length	Full papers should be 5000 words in length including bibliography. Working papers should be 2500 words in length including bibliography
Content	Papers should be written in clear English and any technical jargon should be explained; complex issues should be defined; and full papers should have a literature review. References should be complete and, in the Harvard, referencing style.
Margins	2.5cm or 1 inch
Font	12pt Times New Roman
Style	Headings and Subheadings should be in bold
Spacing	1 line spacing
Tables & Figures	Should be embedded within the text. Commentaries and explanations should be added to tables and charts; each table and figure should be referred to in the text in numerical order eg., Table 1, Table 2; Figure 1, Figure 2, etc. Tables and figures should be numbered consecutively.

Submission of a paper implies that at least one of the authors must attend the conference and present the paper. The editorial committee reserves the right to reject any paper which do not adhere to the above guidelines

FULL PAPERS TO BE SUBMITTED NO LATER THAN 18TH MAY 2022
